Statement

As a constituent member of the Catholic Church in Ireland, we recognise and uphold the dignity and rights of all children, are committed to ensuring their safety and well-being and will work in partnership with parents/ guardians to do this. We recognise each child as a gift from God, and we value and encourage the participation of children in all activities that enhance their spiritual, physical, emotional, intellectual and social development.

All Church personnel (including clergy, religious, staff and volunteers) have a responsibility to safeguard children through promoting their welfare, health and development in a safe and caring environment that supports their best interests and prevents abuse.

Nature of service and principles to safeguard children from harm

The **DIOCESE OF RAPHOE** as a constituent member of the Catholic Church in Ireland exists to promote the teachings of the Catholic Church. This includes the following ministry with children, as defined in Safeguarding Children Policy and Standards for the Catholic Church in Ireland 2016:

List of Ministry with Children

Baptism, First Holy Communion “Do this in memory of me”, Confirmation ~You Shall be my Witness”, Sacrament of Reconciliation, Altar Servers, Children’s Liturgy, Children’s Choir and Readers, Diocesan Pilgrimages & John Paul II Awards.

Diocesan Pastoral Care –

Rainbows Programme & Child Counselling Services

This is not an exhaustive list and will continue to be updated with the initiation of any new programmes.

As outlined in the Safeguarding Children 2016 Policy and Standards for the Catholic Church in Ireland we are committed to the following principles:

Definition of Harm

As defined in the Children First Act, 2015, “harm” means, in relation to a child

- (a) assault, ill-treatment, or neglect of the child in a manner that seriously affects or is likely to seriously affect the child’s health, development, or welfare, or
- (b) sexual abuse of the child, whether caused by a single act, omission or circumstance or a series or combination of acts, omissions, or circumstances, or otherwise.

This definition is understood as the harm caused to children by physical abuse, emotional abuse, sexual abuse, or neglect. In the context of safeguarding, it may also relate to the bullying of children, child trafficking and or sexual exploitation, or the harm caused to children through the misuse of digital technology or on internet platforms.

All children will be equally protected from harm regardless of race, ability, ethnicity or sexual orientation.

Mandatory reporting.

Each of us has a duty to notify the statutory authorities of suspicions, concerns, knowledge or allegations that a child is being or has been abused:

- physically
- emotionally
- sexually
- through neglect

Suspicions, concerns, knowledge or allegations may relate to possible abuse by a member of Church personnel, but they can also relate to incidents in the child’s family, or elsewhere in the community.

Caring for the welfare of all children and the adults who work with them.

Measures to create and maintain environments that are safe for children, that prevent abuse, and that create nurturing, caring conditions within the Church for children and the adults who work with them, will continue to be strengthened and reviewed. This will be done through training support, communications and quality assurance.

Responding appropriately to child protection suspicions, concerns, knowledge or allegations.

Anyone who brings any suspicion, concern, knowledge or allegation of current or past abuse of a child to the notice of the Church will be responded to sensitively, respectfully, actively and in a timely manner, in line with statutory child protection procedures and Church requirements.

All Church personnel have a responsibility to report suspicions, concerns, knowledge or allegations

of child abuse that reach the threshold for reporting to the statutory authorities. The Designated Liaison Person can assist with this process. These reports will be made irrespective of the status of the person (lay, cleric or religious) who is suspected of having been abusive to a child. If the allegation being reported relates to a lay member of Church personnel, in addition to notifying the statutory authorities, the allegation must be reported to the Church authority. If the allegation being reported relates to a cleric or religious, in addition to notifying the statutory authorities, the allegation must also be reported to the Church authority and the National Board for Safeguarding Children in the Catholic Church in Ireland.

All Church personnel will cooperate with the statutory authorities in all cases.

In responding to complaints of child sexual abuse relating to clergy and all those in forms of consecrated life, Church authorities will act in accordance with the requirements of civil law and canon law, and so will respect the rights and uphold the safeguards afforded in these, both to the complainant and respondent.
